The activities of the children

We had special activities to welcome the Sweet December at Ban Mai Phatana Church on the Nov.30 2020.

And on the 11-12 December, We went to Hwuihoo Village, where there are only 3 families Christian, And celebrated Christmas with the Christian and non-Christian. Many

of the village people came and joined our Christmas celebration, We believe that what they have heard will remain in their heart, one day the Holy Spirit will help them to open their mind to understand and accept Christ as their savior, We are longing to see on that day.

On 14th.Dec.2020 (Monday) our children from the center joined another Christmas celebration at Maedet where Sawitree is being in charge to reach out the children and their parents.

On the 19th. December, we have celebrated Christmas with the children at HRDC, and the children and

their parents joined the celebration. We are so thankful that the Lord speak to each of them to declare that Our God is real, Jesus Christ is our Savior, All the children and adult willing to speak out and proclaim about our Living God. Halleluiya.

The caroling house to house visit was so fun, and joy the small kids were always excited and always stand by place where the cookies are. It was a real fun for both adult and the children.

On the Christmas Eve we had visited the precious people in and nearby our village, they surprise and overjoy to see us and give us warm welcome. The people we visited them are the people who are

not able to join the celebration at their church because of their age and their sickness.

On 30th Dec. 2020, Wednesday, We had all the staffs gathering to thank God and worship together at the center. We all thankful to God and all the people who have been helping and supporting us.

Our children at the center also have an experience of harvesting rice, corn and bean from our garden; it is a great learning for all of them.

COMMUNITY:

On 27th Dec. 2020 Team of staffs visited Dong Sam Muen Village school to make connection with the teachers and the children. It was successful and learn many things about the children and their families. There are only few Christian in this village; most of them are the ancestor worshippers. We found out there are many broken families in the village which effected the lives of many children at present. So we are praying that the Lord will open door for us to reach out these needy children, we will need lot of prayer support, WE are hoping to reach them and give them the right direction through the word of God. Hoping that these children will turn to the Lord and bring the light that never failed to their families and their village. With the help of God and your partnership will different in the lives of these people,

All the village people are busy with their harvesting, People are helping each other in their rice field and very quiet in the village, because most of the villagers including our HRDC staffs are in their rice field helping each other on harvesting.

The Next Plan

1. Start Building the fence for Dong Sam Muen School
2. Staffs Dedication Service
3. Visiting children home to encourage and pray with them.
4. Renovating the building at the center and the extensions area.

PRAYER REQUEST

Please pray with us for:

1. Children and their families health - God protection from virus
2. Financial support for regular support,
3. Sustaining Ministry Programme
4. The college fund -
5. Children and staffs that their eyes will open to see the Glory of God.
6. More sponsors will be involved and experience this joy and blessings.
7. Maedet Ministry – More people open their heart but not have enough courage to make their own decision to follow Christ, Pray for them that they decide to follow Jesus.
8. Our new project at Dong Sam Muen, Hmong Village has been moving onward, pray that the Lord will show us what and How to do – to help the children and school at the village.

We are living in a world where we are tempted to see ourselves bigger than anything else, but the Lord want us to look outside ourselves, to His field. Now they are ready to harvested but the workers are few, the owner of the field has been looking workers to work for Him before it is too late, THE LORD IS COMING SOON. Let us not ignore What He is saying today.

And learn to say “I TRUST YOU, JESUS ‘ this simple practice will help us to see God in every situation.

You are always invited to join His Ministry to stretch out His Arm to the needy, tell them the Good News of His Love, bring them at His feet, Then the Lord will be pleased with you and me. The Lord can do by Himself, but He has given you and me to do for Him so that He can give His reward for us when we get there in Heaven. Halleluiya, What you are doing for the Lord is not in vein, the Lord will prosper.

God bless you all.
