

Hill Tribes Resources & Development Center (HRDC) Monthly Report to HANDCLASP

Month of September 2020

Dear Family, Friends and Partners in the Lord's Ministry.

Thanks God for leading me one day at a time for many years.

Thanks for giving me another chance to let you know –How God has given us great opportunity to serve Him in serving the children and their families. It is always good to see their smiling face and their warm heart when we meet them, their smiling are always give us strength to do What God has given us to do – helping those who are in need of help.

It is a great privilege to take part in searching God's people even if they are living at the edge of the earth, God helped us to find them to let them know How Much He love them.

We also would like to thank all our friends who always pray to the Lord and ask to provide whatever needed in His Ministry, and we also thank the people who have listened God's voice and giving whatever they can. We would like to remind you that your reward is in heaven. Time is shorter every day, Your support in prayer and financial are not in vein, When God blessed your support it has reached out more people than you can think about, It is still the same when Christ blessed loaves and the fish, feed over 5000 people. So today the same thing is happening. So whether what you have given small or big, it doesn't matter, the Lord has been blessing to touch many people lives already. Thank you **Children Health:**

God has answered your prayer, all the children are healthy and safe from the viruses. Hope you are all doing well too. Keep continue to pray for health.
