

## Musekee Resources Foundation (HRDC) Monthly Report to Handclasp

January 2024

Dear Families and friends in Christ,

Greetings you in Jesus Name, God is great and good to us, Thank be to God for taking us to this new year of 2024, we are so thankful for His Provident and Protection throughout the past year. 2024 is very important for me because it is my 40 years of living in Thailand and 38 years of living with the Karen people in Musekee. So I am reminded of the life of Moses and Israel. God asked Moses to lead Israelites out of Egypt to go to Canaan, but they are wondering for 40 years in the wilderness before they reach Canaan. I am thinking of How God lead me for 38 yrs serving Him among the karen people, now I have 2 yrs. to prepare myself to go beyond Thailand and extending God's Kingdom among the karen children in Kaw Thoo Lei, Karen states in Myamar, It is going to be very important year for me. I need your prayer support for my next step.

There are many things God has put in my thought, though I do not understand everything yet, but I know what God has something special for the Karen people. Praise Him for He never leaves me alone and always watching over me. Thank be to God in the Highest.

It is possible to enjoy God and glorify God in the midst of adverse circumstances. In fact, His Light shines most brightly through believers who trust God in the dark, that kind of trust is supernatural a production of His indwelling Spirit. When things seem all wrong, trust Him anyway. He is much less interested in right circumstances than in right responses to whatever comes your way.

So I appreciate your prayer and heart of giving whatever you can, whether it is small or big, the Lord always multiply and help us able to reach out people showing God's Love to them. Thank you so much for your faithfulness to our mission.

I always enjoy of writing monthly report to you all to help you understand what is going on in and surrounding area of Musekee.
