

HRDC: Resources & Development Center (Musekee Resources Development Foundation),  
Monthly

Report : HANDCLASP

Month : August 2022

Dear friends and families in Christ.

Grace and peace from God our Father and the Lord Jesus Christ to you all.

I thank God every day mentioning of your name always in my prayers.

The most effective way to resist evil is to draw near God .Whenever we need to take action, He will guide us clearly through His Spirit and His Word.

The world is so complex and over - stimulating that we can easily lose our sense of direction. When we spend time with God, We restore our sense of direction. As we look to God for guidance, He enables us to do less but accomplish more. Proverb 16:3 'Commit thy works unto the Lord, and thy thoughts shall be established.'

When we commune with God in the garden of our heart, we are blessed.

We will never give up to work for God in helping others, they are our treasure in Heaven, Thank you for all the effort you all have make for us to be able to continue God's work and reveal His Love and Blessings among the needy people on this earth.

I assure you that all of you are worth to receive a beautiful crown in Heaven. Thank you and God bless you.
