Monthly Report to : HANDCLASP

Month of : October 2022

Dear Families and friends in Christ,

Greeting from Musekee, You are family of God, We are so grateful to God for giving us a beautiful families of God on this earth, you are very special in the sight of God, because you are willing to be used by God to support us in prayer and financially. With your support we can continue to show God's Love to others.

Be continue to be a channel of God's Love, Joy and Peace by listening to God as you listen to others, when the Holy Spirit empowers your listening and speaking, the stream of Living water flow through you to other people.

Go gently through these days, keeping your eyes on God. Sometimes the way before you appears to be blocked. If you focus on the obstacle or search for a way around it, you will probably go off course. Instead focus on God, then 'obstacle' will be behind you and you will hardly know how you passed through it. That is the secret of success in God's Kingdom.
