HRDC Needs for the month of Christmas:

Please continue to pray for Christmas, praying that the Lord will speak to His people to remember the children, so that we will have enough to give the Christmas gift to our children and who are in need. Every year we have distributed Blanket and warm clothe. We are hoping to give the same Blanket and warm clothe, as they are good enough for the whole year. They need to warm themselves during the Christmas and New Year season.

Please pray with us for:

1. Volunteers who can spend time with the kids at HRDC
2. The College fund is always needed for the children who are studying in the city.
3. Support for new buildings, renovating and maintenance.
4. Financial support to start more business to support the children in the future.
5. Support the Evangelists to bring more souls to Christ
6. Support the church building program for where there are no churches.

Prayer support is always needed and important for us,

1. Pray for children and staff that their eyes will open to see the glory of God.
2. We pray, please join us, that more Sponsors will be involved and experience this joy and blessings.
3. Maedet Ministry is going on slowly, we believe that the Lord will touch their hearts to open their eyes to see God.
4. Pray for our new project: We are planning to build a building in memory and to give honor to Mr. Don Fox what He has done with supporters help through the Handclasp organization. Pray that the Lord will make it happen. Plans come from man, the answer comes from God.

We would like to express our heartiest thanks from the bottom of our hearts for all the faithful support in prayer and financially. Wherever you are May the Lord bless your heart and all you are doing. We would be very happy to have you come and visit us and see what God is doing for us in Musekee, Northern Thailand.

May God richly bless you always.
