

HRDC: Resources & Development Center (Musekee Resources Development Foundation), Monthly

Report : HANDCLASP

Month : November 2021

Dear Family and friends in Christ,

Merry Christmas to all my Dear friends and family in Christ, This is the time of the year we are preparing ourselves to serve our Living God in serving others who around us both believers and non-believers of Christ. Welcome them all in our community.

We are always thankful to God and to all of you for sacrificing your time to share about the Love of God with those who are in need. The reward is in Heaven, God is watching over you and bring you Peace into your heart (Peace that money cannot buy).

In this world you will have trouble but take time to be with the Lord, Problems are part of life remember that you are en route to Heaven, and let your problems fade in the Light of Eternity.

It is always exciting to write what is happening in Musekee, though I am not able to write them all, It is just to remind you , my family in Christ to remember us in your prayer that we can continue to do what God wants us to do on this earth.

Children Health :

WE continue to thank God for His protection, All our children – living at the center and home are safe from the covid 19, We thank you for your faithful prayer, God has been answering all the prayer you pray for us.

Regarding the virus spread in our District, no one died and everybody went back home happily. The health workers worked so hard to take care all of them.

The activities of the children and staffs of HRDC :

The school is still closed in Chiangmai Province, because of the spreading of Covid 19 in the province, so the kids continue to study on hand and on line. So the children have more time to help their family – harvesting rice.

And we are also able to encourage our kids to learn music; Kid takes turn to play music at our Sunday worship under the guidance of our staff.

Our vegetable garden – we have more than we can eat, we sell and share vegetable we grow with others, and save money to buy more seeds to grow.

Children singing in the church.

Kids studying at the center. Our kids and the staffs also work together harvesting rice from our field. They are working hard and learn How to harvest, so that when they grow older they can earn their own food.

November is the month of harvesting month, we feel so sorry for some villagers rice field were flooded and washed their rice away from the their field. At the same times many provinces in Thailand are under flood and people are suffering from it.

We also thankful to God for opening door to meet our kids at the villages, though we cannot organize as an activities but we are allowed to share God's Love with them by giving their personal need one more time.

This covid 19 is a warning for all the believers that we have not much time to share God's Love again. So let us do whatever we can to show God's Love to others, and put God's Love in action before it is too late.

Community service :

Praise be to God in the Highest, We thank God for providing fund to start build Muang Paeng Church, Now we have already done the roof, Please continue to pray that we will be able to continue to build the rest, now the village people have more time to work together. They are very excited to have a new church, we are hoping that the whole village will come to know Jesus Christ and will be willing to accept Christ as their savior. With your love and action will speak to them.

Visited the baby who came to the center with her parents and now parents took her back and leave her at their relative's and their parents went off from the house. We are thinking of supporting her as much as we can.

Kaw Thoo Lei News : The people are still suffering

from the war, and giving their lives to gain their own country for their next generation. My husband and friends continue to visit them and trying to encourage and see everything is going o.k. Children are doing fine, but there are many more children inside the Kaw Thoo Lei, Myamar who have no chance studying and have to hide themselves from the war. Praying that the Lord

will protect them and experience the Presence of God in their lives.

Now we are waiting the covid 19 situation getting better and plan to deliver more food for them soon. Please pray for the next visit to Kaw Thoo Lei.
