

HRDC: Resource & Development Center, Monthly Report to HANDCLASP

Month of February 2021

Dear all the partner in the Lord's Ministry,

Warm Greetings in the Name of our Lord and Savior. There are many people in the world who have known about our Living God, and there are many more who have not heard about God. But we need to ask ourselves every day how much we know God and experience His presence in our daily living; Does God has freedom in our thinking and in our living.

It is always good to give Thank to the Lord for He never leaves us and always provide whatever we need on time. Yesterday, today, forever Jesus Christ is the same.

WE are always grateful to the Lord and all our partners who are praying and giving whatever they could to encourage us that we will be able to do what God wants us to do. We delighted when we heard about your love for the Lord and your generosity. May the Goodness and Mercy of the Lord will continue to follow you all the days of your life.

The weather is cool in the morning but hot in the afternoon,
