Report : HANDCLASP

Month : February 2022

Dear Families and friends in Christ,

God is always great. We are always thankful to God for What He has done for you and us. Our hearts always appreciate and thankful to all of you who never give up praying and giving to meet the need in our ministry. What you have done for us shows

How much love you have for God. Your Love in action on giving – you are increasing your treasure in Heaven where the moth or thieves cannot steal or destroy. Your encouragement always gives us strength to do What God wants us to do on this earth. I believe you are not tire of doing your part and we praise God for giving a life, chance to serve His beautiful creation on this planet. We thank God for sending people to us and also opening door to reach them where they are. Everything comes from God.

The time is short Rev. 1:3. 'Blessed is he that breadth, and they that hear the words of this prophecy, and keep those things which are written therein, for the time is at hand.'

The Harvest are ready but only few are willing to work in God's field, Let us ask more devoted workers for God's field before it is too late, You and me are responsible to collect the losing souls bring them at the feet of Jesus Christ.

The present world situation, wars and the viruses are the sign for the believers to think. How much time is left for us to work for God's creation to bring them to Christ. Let us take deep breath and think of Heaven where we will all be there, Let us work when we can to build our joy in Heaven beyond death.

I would like to express my heartiest Thanks to all of you for your faithful and love support for our ministry. And not forgetting to pray for us and pray for Myamar (Kaw Thoo Lei – Karen states)
