Monthly Report to Handclasp July 2023

Dear Families and friends in Christ,

Greetings in the Name of Jesus Christ from Musekee, Thailand. Hoping that this report find you with good health. Let us continue to Praise and thank Our Living God because He is preparing a beautiful home for us in Heaven.

I would like to thank all of you for your continuous support in prayer, financially. With your support we are able to continue to build God's Kingdom on this earth. We need wisdom to work for Him in building the lives of the children, guiding them to walk in God's way. Come away with God for a while. Most people put God on hold, rationalizing that someday they will find time to focus on Him. But the longer they push God into the background of their lives, the harder it is for them to find Him.

God called us to follow Him on a solitary path, making time alone with Him your highest priority and deepest Joy. Luke 10:42 "....., you have chosen the better thing, which will never be taken away from you. As you walk close to God, He can bless others through you.
