Dear Family and friends in Christ,

Greetings in the name of Jesus Christ, from the mountain of Musee, Northern Thailand.

Blessed is the man who perseveres under trial, because when he has stood the test, he will receive the crown of life that God has promised to those who love him. Each time we choose God's way and overcome temptation or trials, we prove our love for God. We demonstrate that His will is above our will.

We are living in the world where the evil spirit working freely. There are more people who has no purpose of living on this earth, make the beautiful world messy.

We need to ask the Lord to strengthen us before it's too late, that we will overcome them and prove our love for God. We must thank God for giving us time to woke up and fight for Him to let the world see His Glory on this earth.

I am so happy that now I am able to write what happenings are in and the surrounding area of Musee.

WE are so thankful to God for not hearing any bad news of our children health; they are all doing well and fine. Though the coronavirus continue to spread all over Thailand including our District, WE are thankful that our God protecting all of us from the virus till today. We thought the Covid 19 will get better and decrease the viruses in Thailand. On the 28th.of October, the Hospital in Musee found out that, there are more than 20 people were effected in our district, Galyani vadhana, and they are quarantined at the Government District office, in our village. The small kids study by On Hand, every Monday they go to school to collect their assignment. The bigger students study on line, the last week of October; they took rest and have free time to do whatever they want. Children enjoy going to the river and swim in the river.

Beginning of the October we had distributed rice to help children families, because some of the families run out of rice, this will help the whole families to survive and can wait their Harvesting. So they really appreciate to get a bag of rice. And they are also thankful to their sponsor.

We are thankful to God that we are able to visit the children at

their village, and hand them over their personal need and some food for them.

Due to the spread of Covid 19 in Chiangmai province,including our District. we are not able to meet the kids in Chiangmai city, so we have make arrangement with our representative Mr. Preecha to distribute to the children in the city. Now the health workers found more positive in the city, and we are told to be careful , travelling is restricted and some areas are closed because of the covid 19 positive. We are to rely on God, no human being can stop what is happening now, but we know that God can do it.
