

HRDC: Resources & Development Center (Musekee Resources Development Foundation),

Monthly Report to HANDCLASP

Month : May 2022

Dear friends and families in Christ.

Focus on God, As long as we focus on God, we will received His power in us, that neither trouble or problem will not harm us, But God will give us peace and joy instead of fear. He is our shepherd – He is the one who prepare table in front of our enemies, He promised to follow us with His Goodness and Mercy in all the day of our lives, Halleluiya. Ps. 23,

If we look at Colossians 3:1-8, We are to keep seeking or focusing on the things above, set our mind on the things above, not on the things on earth. So that God will reveal Himself on God's Timing and His Name will be Glorified through our lives like Daniel in the den of lions, He was not looking things around him or what were there insight, How many lions are there ? How many borns lying on the ground, He did not even thought about but focusing and looking up God with all His heart. At the end all the nations glorify God's Name. Halleluiya.

By building our relationship with God, we are able to control our thought, He will help us to think in a positive way, and practice thinking in God's way, so that others can see God's Love in us. And Our God will be glorified. He will send His Holy Spirit to assist us to think everything right,

Once again, We were so encouraged and thankful to God for What He has done for us through you. Thank to all of you who never give up praying and continue to donate the generous gift, you have given, whether small or big, God has blessed like five loaves and two fish to feed thousand people. Our God is a great God, He will bless you and give you more than what you have never thought about in return of What you have for Him. Halleluiya Praise be the Lord in the Highest.

With your support we are able to do care God's beloved people, you have encouraged us to continue to God's work even if it is too difficult, you help us to be strong in the Lord.
